

Managing Self-Harm in schools

Managing Self-Harm in schools

- What leads young people to self-harm?
- What can we do in school to support young people who self-harm?
- How can we best respond to young people who self-harm?

- In this session, attendees will gain a better understanding of self-harm, how it might manifest itself and what leads young people to self-harm.
- You will learn about strategies to identify and then support young people who self-harm, and discuss where other sources of support might be available.
- Attendees will be able to discuss cases within their own school and gain practical advice to best support.
