Gateway Alliance are delighted to be offering a series of introductory CPD network sessions, during the summer term 2022, for schools new to our Alliance.

Gateway Alliance

At Gateway Alliance we aim to be at the forefront of professional learning in education, providing schools with opportunities to collaborate, develop and succeed.

We have been working with schools in the Warwickshire area for the last 10 years, providing CPD programmes and networks to over 250 Primary schools each year. We are very proud of our reputation, having a **99% average customer satisfaction rating** over the last 4 years.

Our networks, that are led by national subject experts, take place both online and face to face and provide opportunities for a wide range of school staff to learn, share and develop together by engaging with the latest educational thinking and research in a meaningful and cost effective way.

Session Overview

During this taster session, colleagues will hear more about the Gateway Alliance Primary Senior Leaders' Network as well as have the opportunity to hear from guest speaker Rob Carpenter.

Rob's session 'Building a Curriculum for Excellence' explores practical approaches to curriculum design which ensures knowledge is developed within an ethical framework leading to greater pupil agency and excellence for all pupils.

Speaker Profile

Rob Carpenter has been a teacher leader for over 20 years. He is the Trust Leader for the Inspire Partnership, a family of 9 schools in South East London.

Rob's philosophy for leading learning is rooted in high quality curriculum provision which connects learning experiences with the wider world, the arts and problem solving.

He has served as a local and national leader in education and is passionate about school-to-school support, having developed a range of tools to strengthen the leadership of teaching and learning.

Session Overview

The DRB Leadership Briefings are an essential update for senior leaders featuring the latest from the Department for Education, the ESFA, Ofqual, the Standards and Testing Agency and Ofsted.

The meetings occur termly and schools that subscribe are given additional support via weekly email updates and ongoing telephone and email support from the briefing's facilitator, Andrew Pilmore.

Speaker Profile

Andrew Pilmore is the director of education at DRB and delivers all of the briefings. He is available for advice during each term should questions arise or advice be necessary. Andrew was previously a headteacher for 11 years.

Early Years Leaders' Network

The Gateway Alliance Early Years Leaders' Network meets termly to provide an opportunity for EY leaders from Primary Schools to come together to hear the latest news and updates in the world of Early Years; enhance their leadership skills; explore research and pedagogy and network with colleagues. We work closely with a range of local and national Early Years specialists to share research, develop expertise and explore the latest practice.

Session Overview

During this introductory meeting we will be sharing more information about the network and will have a CPD focus on "Assessment in the EYFS - effective judgements to support transition".

This session will look at assessment within the national context, identify and explore some of the more ambiguous early learning goals and discuss what a "best fit" judgement might look like and how to use this assessment to effectively support transition to Key Stage 1.

Network Leader

Ruth Swailes is our Early Years Network Leader and has 27 years' experience in primary education, in a range of senior leadership roles including primary headship.

Ruth has worked as a School Improvement Advisor, Early Years consultant and moderator in several Local Authorities and has a proven track record of supporting leaders and teachers to improve outcomes for pupils.

Passionate about Primary education, Ruth has taught from Nursery to Y6 and has experience of leading Ofsted inspections. She also works with a range of MATS, hubs, the LGA, teaching unions and schools throughout the UK providing training, school improvement advice, appraisal, coaching and mentoring.

We are really pleased to have established and developed our partnerships with Gateway Alliance.

The quality of facilitation across a range of programmes, including the ECF, NPQs and Research School has been excellent - expertly drawing upon a sound knowledge base as well as a wealth of local school leadership experience – understanding the challenges leaders face and how they can sustainably bring about change in their settings.
